Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. The totals listed on Lines 12, 18(a), 18(c) and 20, Column B of the Detailed Summary Page(s) appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.
2. Schedules C and C-1 of your current report indicates a loan obtained by your committee from "First National Bank of Jonesboro" with a due date of 5/1/10. Please amend your report to clarify the current status of this loan and disclose the current terms and conditions if the loan has been renegotiated. 11 CFR §100.82(a)

Note that an overdue loan from a lending institution to a federal political committee may be considered a prohibited contribution by the bank or lending institution. 2 U.S.C. §441b(a)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an

enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
